

Behaviour & Ecology	Foraging interactions between south american fur seal and gentoo penguins in the Falkland islands	BE01
Behaviour & Ecology	Fishing practices cause a concerning alteration on the behavior of three odontocetes species in the Istanbul Strait	BE02
Behaviour & Ecology	Feeding behavior of fin whales ( <i>Balaenoptera physalus</i> ) in the Catalano- Balearic Sea	BE03
Behaviour & Ecology	A high-risk prey for grey seals	BE04
Behaviour & Ecology	Intraindividual variation in $\delta^{13}C$ and $\delta^{15}N$ isotope values in skin and baleen plates	BE05
Behaviour & Ecology	Harbour Porpoise Responses to the Wind Farm Construction in the Moray Firth, NE Scotland.	BE06
Behaviour & Ecology	Repeatability and foraging consistency of harbour seals in the Moray Firth, NE Scotland	BE07
Behaviour & Ecology	Are harbour porpoises displaced or quiet during construction work of offshore windparks?	BE08
Behaviour & Ecology	The "monastic" menu of the Mediterranean monk seal at Cabo Blanco Peninsula	BE09
Behaviour & Ecology	Elucidating The Cave Use Pattern of Mediterranean Monk Seal On Exploited Habitats	BE10
Behaviour & Ecology	Characterising the relationship between habitat and prey in harbour porpoise candidate Special Areas of Conservation in the UK.	BE11
Behaviour & Ecology	Individual specialization in Falkland Islands southern elephant seal ( <i>Mirounga leonina</i> ) using stable isotopes of skin and fur	BE12
Behaviour & Ecology	Could mysticetes follow their prey odour? A behavioural response study in humpback whales	BE13

Behaviour & Ecology	Molecular determination of grey seal diet in the Baltic Sea in relation to the current seal-fishery conflict	BE14
Behaviour & Ecology	Influence of interspecific interactions between two sympatric seal species on their habitat use and foraging habitat selection.	BE15
Behaviour & Ecology	Categorizing different types of aerial leaps of white-beaked dolphins	BE16
Behaviour & Ecology	Whatcha saying? Evidence of production learning in a solitary common dolphin during interspecific interactions with a harbour porpoise	BE17
Behaviour & Ecology	Activity patterns of resident bottlenose dolphins and the emission of bray sequences	BE18
Behaviour & Ecology	Honest signalling in male and females southern elephant seals ( <i>Mirounga leonina</i> )	BE19
Behaviour & Ecology	Franciscana and Guiana dolphins breathing synchrony reflects the proximity to their partner	BE20
Behaviour & Ecology	Long-term diet changes of a coastal predator in parallel to fishery development	BE21
Behaviour & Ecology	Bottlenose dolphin ( <i>Tursiops truncatus</i> ) in the Sicilian Channel (Mediterranean Sea): occurrence, social structure and interaction with fishery.	BE22
Behaviour & Ecology	Upcycling Fisheries Data: Utilizing active acoustics to estimate cetacean foraging areas in the Black Sea	BE23
Behaviour & Ecology	Incorporation of simulated mid-trophic prey data from SEAPODYM improves the performance of large whales' distribution models	BE24
Behaviour & Ecology	A taste for squid: the prey of Cuvier's beaked whales ( <i>Ziphius cavirostris</i> ) and Risso's dolphins ( <i>Grampus griseus</i> ) in the Eastern Mediterranean Sea	BE25
Behaviour & Ecology	Does interspecific competition control local density and habitat use of harbour porpoises?	BE26

Behaviour & Ecology	A matter of timing: Can whale watching data provide essential information on cetaceans niche modelling?	BE27
Behaviour & Ecology	Unusual events concerning the Mediterranean monk seal's feeding habits	BE28
Behaviour & Ecology	Group-size effect in haul-out behavior of Ladoga ringed seal ( <i>Pusa hispida ladogensis</i> ).	BE29
Behaviour & Ecology	Nursing behaviour of mom-calf southern right whales at a breeding ground in South Australia	BE30
Behaviour & Ecology	Feeding aggregation of humpback whales in Kresta Bay (Anadyr Gulf, Chukotka) in summer 2017.	BE31
Behaviour & Ecology	Using presence-only modelling to predict five cetacean species' feeding habitat use in Icelandic coastal waters: implications for conservation	BE32
Behaviour & Ecology	Behavioural analysis of <i>Delphinus delphis</i> in the eastern Aegean Sea, Greece	BE33
Behaviour & Ecology	Bryde's whales in Madeira Archipelago (NE Atlantic): Site fidelity and short-term individual associations	BE34
Behaviour & Ecology	Social relationships and death-related behaviour in aquatic mammals: a review	BE35
Behaviour & Ecology	SOCIAL NETWORK ANALYSIS OF KILLER WHALES ( <i>ORCINUS ORCA</i> ) OF THE FALKLAND ISLANDS	BE36
Behaviour & Ecology	The role of kinship in the sociality of herring-eating killer whales ( <i>Orcinus orca</i> ) in Iceland	BE37
Behaviour & Ecology	The relationship between prey availability and consumption by harbour porpoises ( <i>Phocoena phocoena</i> ) in the southern North Sea.	BE38
Behaviour & Ecology	Shifting foraging habitats of Mediterranean fin whales identified by behavioural data on fine scale and long-time period	BE39

Behaviour & Ecology	Cultural transmission in humpback whales: insights from song hybridisation events during revolutionary song change	BE40
Behaviour & Ecology	Assessing reproductive parameters of females bottlenose dolphin ( <i>Tursiops truncatus</i> ) from the Aeolian Archipelago (Southern Italy): a thirteen-year mark-recapture study	BE41
